Hi Annie,

My name is Leah Amrhein and I am the ADA handling the [REDACTED] cases on for trial tomorrow. I was looking through the files and saw that we have the Class D certs and that you had done the certs. I did not see a copy of a formal summons to you for tomorrow in the file; however, the ADA that handled it before me indicated that she had summonsed you to testify tomorrow. I am not sure if you ever received the summons but I spoke to Mike Thaler who informed me that you were on call tomorrow. I was wondering if you could be on call for my cases as well and if you could bring the drug packets with you. Again, the name of the Defendants are [REDACTED] Lab number [REDACTED]. They are Norwood cases. I'm sorry for the late notice but, as I stated above, the file had indicated in the notes that you had already been summonsed by another ADA, but I noticed that there was no copy in the file so I just wanted to contact you. Could you please let me know if this would be okay and leave a number that is best to reach you at I'd very much appreciate it.

If you have any questions please feel free to call me at the office (781) 251-0216 or on my cell phone at any time [REDACTED]  
[REDACTED]

Thank you,

Leah
